Dear Ms. Antoci,

*Re: Support to Anti-Corruption Reform and Strengthening Asset Declaration System
Technical Assistance*

Assessment of the e-Integrity Information System

The World Bank (hereinafter “Bank”), under *Support to Anti-Corruption Reform and Strengthening Asset Declaration System* Technical Assistance, is ready to start the assessment of the e-Integrity Information System developed under the Bank-financed *Governance e-Transformation* Project (2011 - 2016).

The assessment will include the evaluation of the system’s functionalities, performance and compliance with the technical specifications and security requirements developed earlier. Additionally, the Bank will conduct a gaps and needs assessment to support further development of e-Integrity system. The IT Consultant assigned for this task will contact your team to discuss the information access and confidentiality arrangements. This is to ask for your help in ensuring all needed support and coordinating the Bank’s collaboration with Information Technology and Cybersecurity Center responsible for technical maintenance of e-Integrity system.

We would like to thank you and your team for openness and cooperation in bringing e-Integrity to the next level.

Should you have any questions, your staff may contact Mr. Constantin Rusu, Senior Public Sector Specialist at our Country Office in Chisinau (tel. +(373) 69146090; e-mail: crusu@worldbank.org).

Sincerely,
